Guarantee Disclosure

Wealth Preservation 1031

FEE FREE and the Wealth Preservation 1031 Exchange Result Guarantee are subject to eligibility requirements, terms, conditions, exclusions and limitations. The Guarantee applies only to an Exchange that has been accepted by Wealth Preservation 1031 as a Guaranteed Exchange after completion and review of the Guarantee Eligibility Questionnaire and satisfaction of all applicable eligibility requirements.

For purposes of the Guarantee, the Guaranteed Result is the intended federal tax-deferral treatment under Internal Revenue Code Section 1031. The Guarantee does not excuse or guarantee the Exchanger's own compliance with Section 1031 or other applicable tax requirements, and it does not apply to a failure resulting from the Exchanger's inaccurate or incomplete information, misrepresentation, omission, or failure to satisfy responsibilities required of the Exchanger.

A complete copy of the 1031 Exchange Result Guarantee, including all eligibility requirements, terms, conditions, exclusions, covered amounts and limits of liability, is available here for review before an eligible Exchange is accepted as a Guaranteed Exchange.
